Dear Mrs. Manley:

Inclosed you will find a letter signed that Posey ssent to me for my signature. *(This was the statement for the bank)*

I am in hopes that you are well and that everything will be allright.

I had a letter from Pompez this morning saying that his Cuban Club will be in the states on the 12th. of May and wants to be connected with our league.

I have notified Posey to notify all of the members that the meeting will be called in Philadelphia on the 25th. od this month so that we might be able to rearrange the schedule for Toledo.

Hopeing that you and all are well and that I will see you real soon.

I am your Friend.

F.D.Mc.,

Thos. T. Wilson.

I am going to send your mail in Atlanta to Mr. Harden, the owner of the team, 848 Hunter St. S.W. - Because the letters I wrote Big Roberts, he was so poor about answering I am afraid he might be careless -
